

# Ledjan Miçani

FRONT END DEVELOPER

## Profile

Junior Front End Developer with a background in Audio/Video Production, Translation, and Teaching. Highly motivated to transition into a career in software engineering. Currently undertaking professional training in Web Development with Meta on Coursera. Possessing strong communication and problem-solving skills, I am quick to learn and self-driven. Certified in HTML, CSS, JavaScript, and React.js. Eager to utilize my diverse skill set to develop modern, responsive software applications using the latest technologies. My goal is to contribute to the creation of professional software that helps individuals achieve their objectives.

## Employment History

### Team Leader - Audio/Video Production, Watchtower, Tirana

SEPTEMBER 2008 – DECEMBER 2017

Coordinated and supervised a production team of approximately 30 members, ensuring the timely and high-quality completion of tasks, including translation, recording, editing, mixing, and mastering. Managed the production and publishing of various materials, such as printed publications, audiobooks, web videos, movies, and songs, on the organization's official website, [www.jw.org](http://www.jw.org).

### Administrative Secretary, Watchtower, Tirana

JANUARY 2018 – DECEMBER 2021

During my time at Watchtower, I served as an Administrative Secretary, where I was responsible for providing administrative support to the office and coordinating various tasks to ensure the smooth running of daily operations. I managed office documentation, scheduled appointments, and facilitated communication between departments. Additionally, I handled incoming inquiries, maintained filing systems, and supported the administrative team in implementing efficient processes.

### Englisht Teacher, Skyeng, Twenix, Babbel Live, Tirana

JANUARY 2022 – PRESENT

Jan 2022 – Jun 2022: Skyeng

Jun 2022 – Present: Twenix, Babbel Live

Provided personalized instruction in both general and business English to non-native speakers via online platforms. Developed tailored lesson plans and employed interactive teaching strategies to improve students' speaking, listening, reading, and writing skills. Currently teaching students at various levels with Twenix and Babbel Live."

## Education

### Meta Certified Front end Developer, Meta - Coursera

JUNE 2024 – PRESENT

#### Meta Front-End Developer Professional Certificate (Coursera)\*

Completed: Introduction to Web Development, Programming with JavaScript, Version Control, HTML and CSS in Depth, React Basics, React Advanced

Currently pursuing: UX/UI Certificate

Successfully completed a comprehensive front-end development program by Meta, covering core web technologies such as HTML, CSS, JavaScript, and React. Gained practical experience in building responsive web applications, version control with Git, and advanced React concepts. Currently expanding knowledge in UX/UI design
